How do I upload my music in Songblitz Store and PraiseHimMusic?

Once you have created an Artist account and you login you will have a selection of items to choose from.

To upload a track or album choose **New Product**

During the process of uploading your product you will need to pay a **Listing Fee** this is a small amount to cover transaction costs etc. This is payable by PayPal.

You will be required to **Select Image**, from your computer upload a cover you wish to use for your track/album

Add File if you are uploading a track then mp3 format can be uploaded if it's an album then upload the album as a zip file.

You will notice on the right of the menu **FILE** you need to upload a smaller version of your track here.

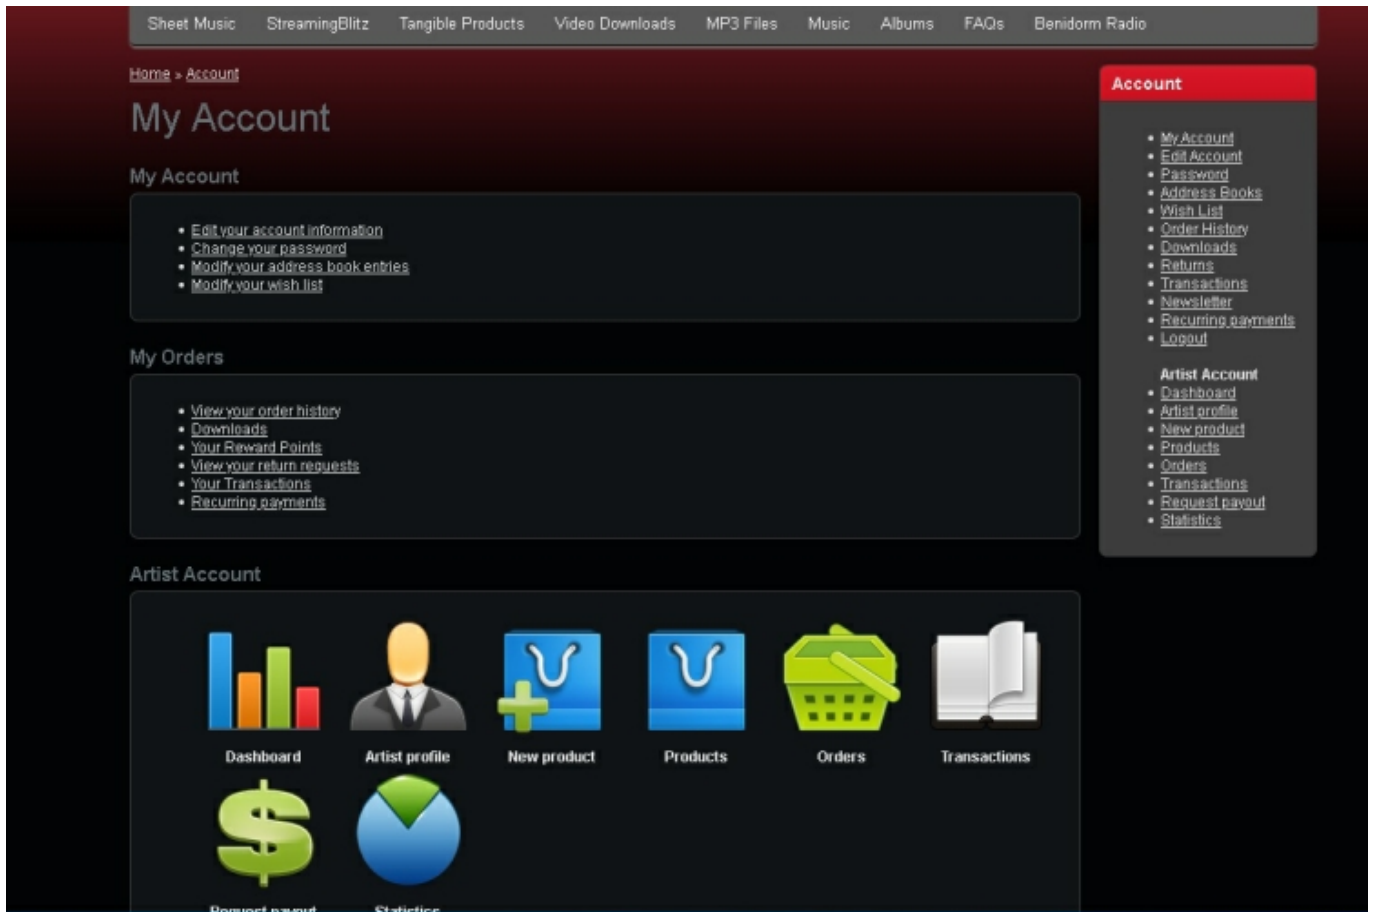

Things to note: If you are uploading an Album then you need to add all the tracks that are in the Album at the **Add File** section, and demo versions at the **FILE** section

Once you have completed the form and uploaded your files you must click **SUBMIT**

You can down load Free software to create demo files [here](#).

The screenshot shows the SongblitzStore.com website. At the top, there is a navigation bar with the site logo, currency options (€ £ \$), a shopping cart icon, and a search bar. Below the navigation bar is a secondary menu with categories like Sheet Music, StreamingBlitz, and Video Downloads. The main content area features a sidebar with a 'Categories' section listing various music formats and genres. The central part of the page is dedicated to the product 'Jonathan James - The Other Side', which includes a product image, a tracklist with progress bars, and a price of £3.99. The tracklist contains ten songs, each with a progress bar and a play button icon.
