

General

I don't Understand how to upload to the site, is there any help?

We have created an Help Package for those of you that are perhaps not computer savvy to the extent required on some of our websites. We understand that there are singers who cannot be songwriters and also songwriters who cannot sing. Some people are really good at DIY are others are not. So for Singers, Songwriters, Bands etc we offer the following package.

We will create an account for you that you can login to on either songblitzstore.com or praisehimmusic.com

We will upload upto 12 of your tracks or an album to the choosen site.

If your files are in another format, eg, wav we will convert them for you to mp3

We will create demos (shortend versions of your songs) for you.

We will create an account on either songblitz.com or justcountry.co.uk for you dependent on the genre of your music

We will upload the 12 tracks to your choosen site.

We will add your tracks to streamingblitz.com

The total cost for all this is just £50 one off payment. You will recieve sales revenue on songblitzstore.com or praisehimmusic.com depending on which site you have choosen.

You will recieve streaming revenue on songblitz.com or justcountry.com depending on which site you have choosen

You will recieve streaming revenue on streamingblitz.com

If you would like to take advantage of this offer or have any questions please send an [email](#)
