

# STREAMINGBLITZ

## Is Streamingblitz really free?

Yes Streaming blitz offer a Free account that will satisfy a large amount of users who can search thousands of tracks and albums, they can listen and add them to their playlist. For those who want more features and no adverts we offer a Pro Account for a small subscription.

We also offer an Artist Account for singers and bands, for a small subscription they can upload their tracks and albums for their fans and followers and potential new fans. An allocation of disc space is made to them and they can edit and delete tracks. Many more features are also available with the Artist Pro Account.
